

## Vase Scorecard Federation of Northwest Dahlia Growers

The purpose of this scorecard is to provide guidance for judging teams at Federation shows. Be sure to check the local show's criteria and then apply the following guidelines.

<b>Judging Characteristic</b>	<b>Score</b>
Quality of Blooms — 25 points <i>Fresh and undamaged; blown centers are a fault but not a disqualification</i>	
Balance and Proportion — 25 points <i>Should not appear top-heavy; an even dispersing of various types and cultivars</i>	
Spacing of the Blooms — 20 points <i>Blooms crowded and distorted by neighboring blooms and/or greenery is a fault.</i>	
Color Harmony — 20 points	
Distinction — 10 points
