The Victoria Dahlia Society Show uses most of the Federation show schedule and exhibitor categories but does not use Federation exhibitor numbers. If interested in attending, please contact our Show Chair, Barry Willoughby.

\*The Show coincides with the Prospect Lake District Community Association's BBQ beginning 11 am on Sunday, August 19. Entries will remain on display through Sunday evening and the Show will be dismantled the following Monday morning. The Victoria Dahlia Society provides containers, foam, water, and a staging area outside on Friday and Saturday for all entries, excluding arrangements. Exhibitors using their own containers, clearly labeled on the bottom, must claim those containers Monday morning or confirm with the show organizers the containers return at a later date.

The Show Dinner is held at the Howard Johnson's Lakes Restaurant (4676 Elk Lake Drive), just a short distance from the Show venue.
