DRIVING DIRECTIONS

From North on US-2:

- US-2 become WA-285. This is Wenatchee Avenue. Continue south until you get to Fifth Street. Get in the left turn lane.
- Turn left onto Fifth Street, go under the train tracks and into the traffic circle. Stay right in the traffic circle and follow it south onto Riverside Drive. Stay on Riverside Drive until you get to the stop sign at Worthen Street.
- Turn left onto Worthen and follow it for about 7 blocks. You will see the Pybus Public Market on the east side of the street, at the foot of Worthen and Orondo Avenue.

Coming from the South on WA-28:

- Follow highway signs for Wenatchee, crossing the George Sellar Bridge. Take the off-ramp on the right, to Wenatchee Avenue (SR 285 N.)
- Head north on Wenatchee Avenue for about a mile. When you get to Orondo Street, turn Right and go across the railroad tracks. You will see the Pybus Market parking lot directly in front of you. (If there is a train blocking the Orondo entrance, there is an underpass on 5th Street, a few blocks north, or on Thurston Street, a few blocks south on Columbia Street).

To Unload: Bring dahlias through the doors on the south end of the building. If you have questions, there will be people to help you find your way around. The show will take place in the center concourse of the Market.
